

QUALITY ABRASIVES THAT GIVES YOU CONFIDENCE

VOGEL 7" GRINDING DISC - 180 x 6 x 22 mm

7" GRINDING DISC WITH SUPERB GRINDING PERFORMANCE

Our 7 inch Vogel grinding disc measures 180x6x22mm, and is capable of superb grinding performance up to the lifespan of the entire disc. Vogel 180x6 is designed for maximum stock removal with exceptionally high aggressiveness, while combined with long disc service life for maximum productivity per disc. With its optimal formulation and grain type and bonding agent, Vogel 180x6 provides a consistently high quality grinding solution for all standard materials and applications.

Vogel 180x6 grinding disc is especially suited for use on steel and stainless steel, in all major surface grinding applications, as well as for burr removal and edge bevelling.

PROPERTIES

- High grinding power
- Superb performance up to the lifespan of entire disc
- Engineered with focus on safety
